Ways to be more sustainable and inclusive at work

- 1) Can you make your product or services more environmentally friendly?
- 2) Are your supplies eco-friendly and suppliers following green business practices?
- 3) Can you improve your facility?
- 4) Can you manage your waste better?
- 5) Can you inspire your team and colleagues
- 6) Can organise activities to give back to the community?
- 7) Can you offer flexible working?
